

Dear All,

Busan City of Film sincerely appreciates your participation in our collaboration project – BIKY poster contest!

This year, 6 Creative Cities of Film - (Galway, Rome, Qingdao, Yamagata, Terrassa, Lodz) and 1 other city (Moscow) have joined the project.

Below are the drawings selected by each city.

Yamagata

Lodz

Terrassa

Moscow

Together with drawings selected in our city, all the drawings above will be included into the official poster for BIKY's 2019 edition in the form of 'collage'.

Following the result, we have selected one candidate per each city (Galway, Rome, Qingdao, Yamagata, Lodz, Terrassa) for the jury of BIKY this Year. And through the careful judging process by BIKY Committee, we have selected **Julia de la Rosa** from **Terrassa** (Title: Pentagram) as a winner in this edition.

We are planning to send the Thank-you letter from the festival director of Busan International Kids&Youth Film Festival and guest package to the cities who joined the project. Thus it would be sincerely grateful if you would give your address information.

Busan City of Film would like to express our deepest gratitude to all cities who joined our project. We hope all of you would join this project again in next edition.

Thank you.

All the Best,

Busan, UNESCO Creative City of Film
